A SYSTEMATIC DAILY
BIBLE READING PROGRAM

Read one chapter from each Section (12) every day. You can start with 8 chapters per day by combining Sections 1-2, 4-5, 8-9 and 11-12.

If you miss part of your daily readings, don't worry about trying to catch up. Just start fresh the next day from where you left off. Work towards consistency, approach the word prayerfully, and enjoy.
